GAR Products: Obsessed with Craftsmanship and Quality

GAR provides running line and custom seating solutions while maintaining short lead times.

For more than 60 years, this family-owned company has produced high quality wood furniture made by some of the most talented designers and craftsmen in America.

GAR is dedicated to providing quality, sustainability and modern design, in every chair, barstool and table that the company produces.

DPC
DANIEL PAUL
CHAIRS

Daniel Paul Chairs has more than 50 years of experience in the hospitality industry, manufacturing high quality seating products. Whether for banquet rooms, guest rooms, lobbies, senior living or meeting and conference areas, Daniel Paul Chairs provides seating for all occasions.

Daniel Paul Chairs designs and produces beautifully crafted upholstered sofas, sofa sleepers, loveseats and chairs, stack chairs, ottomans and benches that are both durable and functional.

SIMPLY TABLES THRIVES ON COLLABORATION AND CONVERSATION

BOOTHS AND CHAIRS

Simply Tables booths and chairs simplify projects. Designs are brought to life through each customer's project specifications.

HARDWOOD PLANK

The most versatile table. The classic hardwood plank table will never go out of style. The beauty of natural woodgrain is unmatched.

LIVE EDGE

Every live edge table slab has its own unique story to tell. Simply Tables is located in the midwest which gives the ability to easily source many species of live edge slabs such as spalted maple and walnut.

TERRAZZO

The complex terrazzo mix has increased strength and low porosity. This ensures reliable tables even in heavy use. The perfect solution to wow customers in any indoor and outdoor space.

STONE + SOLID SURFACE

Stone and solid surfaces are great options for beautiful and durable hospitality spaces. Full stone fabrication capabilities offer the ability to make or match the stone tables each design calls for.

Founded in 1989, DVP continues to supply hotels, universities, cruise lines, and other hospitality facilities with quality upholstery fabrics at unbeatable value.

Featuring woven fabrics for all applications, velvet fabrics in a wide array of colors and patterns, and a large inventory of faux leather vinyl fabrics, DVP offers designs that are competitively priced and ready to ship.

Supreen, the newest addition to the DVP line, marries cutting-edge woven and coated technology to create a unique liquid-barrier textile.

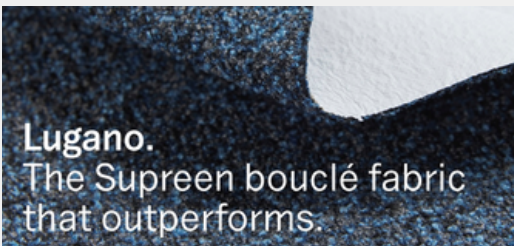

Performance Features

-  **Suprisingly Soft**
-  **Total Liquid Barrier**
-  **Ready for Bleach**
-  **Environmentally Conscious**
-  **Designed to Outperform**

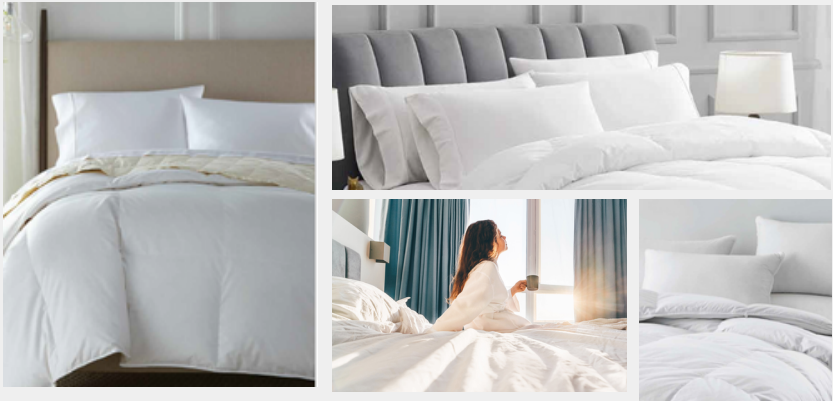

Lugano, the newest Supreen pattern, is a soft, luxurious bouclè fabric that delivers unprecedented and unexpected performance.

With a color palette of complex neutrals, as well as a range of soft jewel tones and rich earth tones, Lugano is at home in a 5-star hotel, a living room or a well-designed restaurant.

Downlite® has been a high-quality, innovative producer of bedding for more than 30 years. Hotels worldwide entrust Downlite to create the best luxury sleep experience for nearly every category in utility bedding: from sustainable polyester to feather and down-filled products. Downlite pillows and bedding ensure that guests sleep well every night and will keep coming back time and time again.

Downlite’s distinctive pillows range from the 2024 award-winning 3-in-1 Adjustable 600 Fill Power White Goose Down Pillow to the ever-popular Spira Cluster Down Alternative Medium Hotel Pillow, both hypoallergenic, with a multitude of additional pillow options to suit every hospitality environment. Start the journey toward perfect sleep by choosing Downlite comfort and versatility.

AESTHETIC MIRROR

Recognized throughout the hospitality and design industries as a leading manufacturer of wood, metal and acrylic decorative mirrors, Aesthetic Mirror is 100% domestically produced.

Custom Aesthetic Mirror products grace the guestrooms and public spaces of hotels around the globe.

Whether seeking a custom design or a standard backlit vanity mirror, Aesthetic Mirror is the source for beauty, innovation, durability and design.

Hospitality outdoor seating should be functional, durable and beautiful. Proimi and Masaya offer outdoor furniture selections for every hospitality environment.

Handcrafted in Honduras, Proimi outdoor furniture is highly durable, with weaves that are UV, weather and temperature resistant. Proimi seating is easy to clean, environmentally friendly, colorfast and scratch free. Expert artisan weaves combine with Sunbrella fabrics to bring life to outdoor space, combining vivid colors and textures with fabrics that are waterproof and resistant to stains and fading.

Masaya's handcrafted solid wood furniture incorporates ancient traditions with every design. Furniture pieces are handcrafted entirely from trees grown in reforestation projects. Masaya is becoming the first fully sustainable furniture brand and has planted more than 1.2 million trees in its efforts to change the way furniture is made.

OUR CORE VALUES

Flexibility: Every project is different, and we adapt to the specifics of each. Individual circumstances are always a consideration, as is working one on one with our clients to identify the best possible solution.

Honesty: In an industry that is built on sales relationships, we are always transparent. We are honest with our customers when discussing the products we provide, lead times and delivery dates.

Respect: We respect our clients and are passionate about making sure our clients' purchasing experience is as worry-free as possible.
