

Patented exclusively by DI.

ItFits! Foundation Cover

ItFits! foundation cover is patent proven technology for the bedding industry. This product is smart and innovative with it's easy-to-use design that provides a tight and fitted box spring cover. The well kept appearance adds to each hotel room's appeal and promises an exceptional night in your home away from home! Saving you money with less time in upkeep for your staff, the ItFits! high quality cover will have less wear and tear, which ultimately leads to an extended product life.

Patent #10,098,44895 B2
